

**CHIEF PROSECUTOR'S RECORD OF
FINDINGS, CHARGES, INDICTMENTS AND PRESENTMENTS
FROM THE *SAN DIEGO CITIZENS' GRAND JURY*
ON THE *CRIMES OF SEPTEMBER 11, 2001 IN NEW YORK CITY***

INTRODUCTION

The *San Diego Citizen's Grand Jury on the Crimes of September 11, 2001 in New York City* was convened in the Student Council Chambers of the Aztec Center at San Diego State University on 12:00 noon Saturday, April 14, 2007. Twenty-three primary Jurors and more than a dozen alternate Jurors were present. Proceedings concluded that evening by majority-vote of Jurors.

The **Findings** that follow from our proceedings are the Chief Prosecutor's. The **Charges, Presentments and Indictments** in regard to acts that constituted or enabled crimes that were committed in New York City on September 11, 2001, and/or in regard to crimes that ensued from acts of September 11, 2001 in New York City, such as have attached to the United States' invasions of Afghanistan and Iraq, were reached by majority-vote of the Grand Jury at the conclusion of our proceedings on April 14, 2007.

The **Findings, Charges, Presentments and Indictments** that follow are based on evidence presented by Expert Witnesses Richard Gage, Ted Muga, Steven Jones, and Kevin Ryan; by Chief Investigator Jim Hoffman; by myself; and based on knowledge and/or beliefs held by a majority of the Grand Jury independent of the said evidence that was presented on April 14, 2007, particularly regarding the grounds for the **Presentments** issued by the Grand Jury.

Submitted on August 18, 2007, with much respect for the Grand Jury majority's conclusions,
Don Paul, Chief Prosecutor,
San Diego Citizen's Grand Jury on the Crimes of September 11, 2001 in New York City

CHIEF PROSECUTOR'S FINDINGS

The Chief Prosecutor submits under **Findings** that the following acts enabled or constituted crimes that occurred in New York City on September 11, 2001 (9/11/01):

1. That American Airlines Flight 11, a Boeing 767-200 bearing eighty-one passengers, two pilots and nine flight-attendants, struck World Trade Center Building 1, the North Tower, at 8:46 a.m. Eastern Daylight Time on September 11, 2001, and that all persons on board this airliner died due to its crash.
2. That United Airlines Flight 175, a Boeing 767-200 bearing fifty-six passengers, two pilots and seven flight-attendants, struck World Trade Center Building 2, the South Tower, at 9:03 a.m. on September 11, 2001, and that all persons on board this airliner died due to its crash.
3. That procedures for interception of off-course commercial aircraft were fatally violated by parties responsible for them in the **Federal Aviation Agency (the F.A.A.)**, the **North American Aerospace Command (NORAD)**, and the United States' Executive and Military chains-of-command.
4. That World Trade Center Buildings 1 and 2 (the Twin Towers), two 110-story structures that were home to many companies' offices and that were supported by 400 million pounds of steel, and World Trade Center Building 7, a 47-story structure that was home to several companies' offices and 2,000,000 square feet of floor-space, were demolished by internal explosives on September 11, 2001.
5. That the multiple failures to properly investigate attacks on buildings that foretokened the crimes of September 11, 2001 in New York City (such as the February 20, 1993 bombing of the Twin Towers and the April 19, 1995 bombing of the Murrah Federal Building in Oklahoma City, Oklahoma), promoted oversights and misdirection that furthered attacks on the World Trade Center complex of September 11, 2001.

The Chief Prosecutor further submits the following acts ensued from crimes in New York City on 9/11/01:

6. That evidence of the above-named airliners' crashes and World Trade Center Buildings' demolitions was either removed from the crime-scenes and destroyed, and/or misrepresented, and/or hidden, and/or denied, and/or ignored, by parties responsible for investigation of crimes in New York City and the State

Record of Chief Prosecutor's Findings and Grand Jury's Charges, Indictments and Presentments from the San Diego Citizens' Grand Jury on the Crimes of September 11, 2001 in New York City 2.

of New York and within the United States, such as persons in offices of the **Mayor of New York City**, the **Port Authority of New York and New Jersey**, the **Federal Bureau of Investigation (the F.B.I.)**, and by **executives, lease-holders and insurers of the destroyed properties**, and by parties responsible for investigation of the destruction of buildings that impact the public's safety, such the **Federal Emergency Management Agency (F.E.M.A.)** and the **National Institute for Standards and Technology (N.I.S.T.)**.

7. That the multiple failures to properly investigate crimes of September 11, 2001 in New York City have resulted in widely publicized misattributions of guilt--deceptions--that produced public support for the United States' invasions of Afghanistan in 2001 and Iraq in 2003 and for the Patriot Act and the Homeland Security Bill of 2001 and the National Identity Card Act of 2005--for international war and domestic repression--at the same time as these failures and deceptions have produced enormous profits by the Corporations and individuals responsible for them.

GRAND JURY'S CHARGES, INDICTMENTS AND PRESENTMENTS

The following **Charges, Indictments** and **Presentments** were reached by majority-vote of the San Diego Citizens' Grand Jury in the final stage of our proceedings on April 14, 2007. An **Indictment** is delivered by the Grand Jury against a person introduced to them by the Chief Prosecutor. A **Presentment** is delivered against a person by the Grand Jury's initiative. That is, a **Presentment** 'is an accusation issued by the grand jury on its own knowledge, without any bill of indictment having been previously drawn up by the prosecutor'--Columbia University Press Encyclopaedia.

Our **Charges** are hybrids, drawn from popular, centuries-old concerns of Common Law and from language embodied in many State and Federal statutes.

Each of the **Charges** below bear on the perpetration of Capital Crimes:

1. ***Destruction of Evidence***
2. ***Obstruction of Justice***
3. ***Negligence Resulting in Wrongful Death***
4. ***Conspiracy to Defraud Private Individuals and the Public Interest through Acts of Terror that Furthered Legal and Illegal Profits***
5. ***Conspiracy to Commit Mass Murder.***

URLs to articles about the individuals whom the Grand Jury wished to further investigate are listed underneath brief biographies of each said individual. The articles may help others to research details of definite connections and possible conspiracies among suspected persons. To help with connecting them to each other, the name of any such individual is capitalized and bold-faced in all of the **Charges** and brief biographies below.

(My only regret from our procedures on April 14, 2007 is that the Jurors did not receive from me information which might have moved them to direct the further investigation of at least two other individuals, **MICHAEL CHERTOFF** and **BERNARD KERIK**, on one or more **Charges**.

Let me now, again, offer congratulations to the Jurors for their splendid courage, deep backgrounds of knowledge, acute questions, and thoroughgoing determination.

Congratulations to them for taking a brave step toward truly countering terrorism.

May their courageous step further Citizens' Grand Juries and even more concrete steps by concerned citizens around the world. May it further an unstoppable movement to reach answers about the crimes of 9/11/01 that prevent more of such crimes--more of such atrocities against civilian populations--in our futures.
